# ECLIPSE® SHUTTERS

*Why Eclipse Shutters? The answer is simple...*

Why invest in a product that you'll have to refinish in a few years? Protect your investment with Eclipse Shutters! Our technological advancements have combined the durability homeowners desire with the look of wood to achieve the ultimate window treatment: Eclipse Shutters® with UltraSatin™ Finish.

Eclipse Shutters with UltraSatin finish will add sophistication and elegance to your windows. They will last for many years with minimal care. These reasons are why Eclipse Shutters have been the number one selling plantation shutter in North America for 25 years.
