

STANDARD SPECIFICATIONS

Cornices

Your order will be made to these specifications unless you specify otherwise:

1. Cornices are fully lined with drapery lining at no additional cost unless previously quoted with COM/F.
2. Outside board face and returns are padded with polyester fill.
3. Face fabric is wrapped around to the inside.
4. Plain fabrics are railroaded; print fabrics are pattern matched at seams.
5. Cornices are corded with a ¼" welt cord on the top and bottom edge. Other locations and welt cord size must be quoted by the workroom.
6. Mounting hardware is NOT included unless ordered with shade at an additional cost.
7. Return options are: 1¾", 3¼", 5¼" and 7¼" unless otherwise specified and approved by workroom in advance. Return sizes larger than 6" are calculated into the width size for pricing purposes.
8. A full-size template must be furnished for specialty designs.

Valances

Your order will be made to these specifications unless you specify otherwise:

1. All valances will be mounted on a 1½" x ¾" fabric covered board unless a special size is requested.
2. Mounting hardware is NOT included unless ordered with shade at an additional cost.
3. Return options are: 1¾", 3¼", 5¼" and 7¼" unless otherwise specified and approved by workroom in advance.
4. Inside mount valances are fabricated with no returns.
5. Outside mount valances are fabricated exact ordered size and with a 1½" return to the wall unless other size is specified. They can be fabricated with side legs to stabilize fabric return if necessary and requested.

6. Lined Valances will be lined with our white cotton/poly blend standard lining (Parasheen) at no additional cost unless otherwise specified and quoted. Any other lining requested is subject to an additional charge. Please read price list carefully.
